

SUBMITTING INFORMATION TO THRIVE

The Thrive E-newsletter is a free service funded by Arts Queensland and the Australia Council for the arts to disseminate information to the regions about arts and cultural events, skills workshops, professional development opportunities, funding and more.

To ensure you get your information into the newsletter, we ask that you make your submission by the following guidelines:

- Submit your content by the last day of the month
- Submit information in as an unformatted word document without images
- Submit any images separately (include image captions in the word document)
- Images must be jpeg or tiff format

Please note that information send as PDFs or formats other than word documents will not be accepted. The requested formats allow Creative Regions to process the information efficiently and accurately.

Thank you.
